MULTI-FAMILY BUNGALOW

Welcome Home! I take great pleasure in introducing you to this family loved, perfectly updated four bedroom, two full bath and two kitchen raised bungalow in the highly sought after town of Plattsville. Incredibly located 20 minutes away from KW, Woodstock, Cambridge and minutes to the 401 near Drumbo. The gleaming wood floors on the upper main floor features a vast open concept family room leading to the huge double counter run kitchen and eat in dinette with room for everyone at the table. Oversized primary bedroom with double closets is a show piece but two more bedrooms gives the whole family their own space all located close to the newly renovated four piece bath. Looking for that perfect in-law suite set up for generational living, yes we have that too with not a step to have to navigate. Super easy layout features a large bedroom with ample closet space, a generous family room with dinette, great 3 piece bath and a pocket kitchen to give just that little bit more independence. All levels have separate entrances and best of all it is carpet free everywhere and move in nothing to do condition. The covered party sized deck with steps to one of the biggest patios I have ever seen, all on a 1/4 acre of land makes you
